PROFIL TRANSVERSAL A-A - sc. 1

The diagram shows a cross-section of a road and its surroundings. On the left is a sidewalk labeled 'TROTUAR EXISTENT'. In the center is a street with a car and a street lamp. On the right is a house labeled 'CASA EXISTENTA'. A vertical line with a cross at the top indicates the centerline of the road. Dimensions are given in meters (m) below the profile: 2,16 m for the sidewalk, 5,95 m for the street width, 3,50 m for the distance from the street edge to the centerline, and 3,50 m for the distance from the centerline to the house edge. The total width from the sidewalk edge to the house edge is 8,11 m, and the total width from the street edge to the house edge is 7,00 m.
